- Device tracks energy usage as well as carbon emission.
- Helps to motivate you saving energy

### Product code:

CM-9010

#### **Dimensions:**

120\*67\*70 mm.

### Color:

White (PMS: White)

### Packaging:

White box

### **Decoration:**

Pad Print

## **Dimensions:**

Front: 45\*7 mm.

## **Technical specs:**

- Standard EU plug
- Measure range for electricity0.000~9999kWh
- Measure range for CO20.000~9999Kg
- Input: 16A 250VOutput: 16A 230VMaterial: pvc + metal
